

# Thank You

## Product includes

Thank you for visiting my store! Using short films is one of the most engaging activities I do with my students. Students really enjoy the videos and I find it great to stimulate language, inferencing, and comprehension. I have made two review papers for each short film. One is open ended questions and the other is multiple choice.

## Terms of Use

This resource has been a labor of love. By downloading this activity you have purchased the right to use it for your own personal use. You may print it as often as you wish for your students or classroom. You may not copy, resell, or share downloads. If another teacher would like a copy please direct them to my store.
