Hands in Pants

A Social Story

Hands in pants

When I am at school, I need to keep my hands out of my pants.

I can put my hands on my desk.

I can use my hands to play.

I can use my hands to draw.

I can use my hands to climb.

I need to make good choices
with my hands.

When I am at school I will not put my hands in my pants.

If I put my hands in my pants, my teachers and friends will be uncomfortable.

My hands are dirty and will have germs on them when they are in my pants.

My teachers and friends are happy when I keep my hands out of my pants.

I can put my hands on my desk.

I can use my hands to play, draw, and type.

When I put my hands in my pants, they get dirty.

My teachers and friends are happy when I keep my hands out of my pants.
